### Region Commissioner's Report

Well, the October / November period has been especially busy, in that, numerous matters affecting the Region have either been progressed or require more urgent attention.

In particular, the Chief Commissioner has set a deadline for the submission of Fire Safety Statements at 31st January, 2014 with no excuses. After that date, if Region and State do not have copies of the statements, Scout Group Halls will be shut down until Groups meet the compliance requirements. Yes, this is a drastic measure, but the law is the law and we must comply. Your District Commissioner should have already been in contact with Groups to arrange compliance and provide a checklist so your Scout Group can comply and avoid the penalty. Each certification only covers the twelve months following the date of issue.

### All Fire Safety Statements must be created as follows;

- a) 1 original prominently displayed at Hall,
- b) 3 copies to be forwarded to REGION OFFICE URGENTLY.
- 1 copy will be forwarded by Region to the Fire Commissioners Board,
- 1 copy will be forwarded by Region to State Office,
- 1 copy will be retained by Region for records.
- c) A 4th copy may also be required by your local Council.

If in any doubt at all, please contact Michael Barnes through Region Office.

Along with the Fire Safety Statements, **Scout Hall Safety Inspections** must be completed at least twice per year (6 months apart) in order to maintain currency and meet State requirements. The Safety Inspections also act as follow up on previously identified hazards or repairs, as well as maintaining the Group Hazardous Materials Register (WHS Act requirements). Region is to provide an audit process to ensure buildings are maintained in the correct manner with actions being followed up. Local Councils may also inspect the Hall to ensure building code compliance, so it is a necessary activity which is designed to ultimately benefit your Scout Group and not be erroneous to complete. 2014 will see the inclusion of safety inspection reporting as a mandatory requirement for State at your Group's Annual Report Presentation. Already we have seen Local Government undertaking these inspections as part of their lease renewal and general public safety processes.

The November **Region Commissioners Council** has progressed with a number of initiatives and consolidated some other existing strategies, which include;

- Finalising the Region's Strategic Plan,
- Confirmed the schedule and process of District Operational Reviews,
- Identifying support gaps at District and Region level,
- Provided input to the future direction of Mt Keira Scout Camp and
- Consolidated the 2014 Calendar, just to name a few.

Also, the Interim Region Team Structure was announced. 'Interim' as it is expected to change as we move forward with the implementation of recommendations from the Support Review Project. Availability of more information regarding the Strategic Plan, Interim Region Team and Support Review Project will be available via the Region website and South Coast Scouting magazine in the near future.

One initiative that is gaining momentum is the amalgamation of the Eurobodalla and Far South Districts. Following a meeting of District staff, Group Leaders and Group Chairpersons at Cobargo, a decision was taken to move forward with the amalgamation of the seven Scout Groups into one District. It is expected to complete the process over the next few months. Presently, we are calling for expressions of interest for a District Commissioner. Anyone interested from the Eurobodalla or Far South Districts should contact me directly via the email address listed below.

The collection of fees is a major issue which diverts considerable effort from delivering a quality program right across the Region which can be avoided so easily if all Groups followed simple financial management practises. While a number of Scout Groups are up to date, we generally experience late payments and at the time of writing this report, 20% of outstanding fees are in the Over 90 Day category. Clearly this is not acceptable and demonstrates poor planning and management. It is therefore appropriate to remind all Scout Groups that fees are due 30 days after the issue of invoices. The current process is that State sends invoices to Region, who in turn forwards directly to Groups. While some discrepancies occur, the main contributing factor to incorrect invoices is that Groups have not updated their CMR and as a result are charged off the last known CMR, which in some cases is considerably old and changed drastically.

This fact is particularly important as fees are set to rise along with Joining Fees in 2014. The Region Commissioners Forum has agreed that as from 1st March, 2014 until 30th April, 2015 the **Quarterly Fee** will rise by \$2.00 to \$36.00 per member and the **Joining Fee** will rise to \$30.00 per member, an increase of \$10.00.

It was a pleasure to attend part of the **90th Celebrations of the 1st Austinmer Scout Group** during November, in particular catching up with some 'old' Leaders and past youth members. The Group is rightly proud of its heritage, but equally is focused on the future so to maintain that strong presence in their community for the next 90 years. Congratulations to the Group on their fine achievement.

On a sad note, two of our long standing Region Team Members have decided to make a change. Firstly, Derrick Peters has decided to move to a Deputy Camp Warden appointment. Derrick has spent many years in various appointments and will be missed as RC, Venturer Scouts. Secondly, Nicole Bindoff is taking some leave of absence due to a new professional role she has taken up. Certainly we hope that she comes back in the future with renewed energy. I extend our many thanks to both Derrick and Nicole for their efforts and guidance over the past years and wish them both well.

As the year draws to a close, it is appropriate to offer the Season's Greetings and Best Wishes to all involved in this wonderful game of Scouting. Over the Christmas break, please take the time to rejuvenate and spend time with family and friends, so that next year you will be refreshed which will lead to bigger and better things for our youth members. My personal thanks and best wishes are extended to you and yours at this time and that you enjoy a happy, safe and holy Christmas and New Year period.

Merry Christmas to all,

Phil Crutchley (Kanga)

# Expressions of Interest for the position of

# DISTRICT COMMISSIONER

The South Coast & Tablelands Region is undertaking a review of all Districts in order to align support capabilities to the needs of Scout Groups within each District.

To this end, the Scout Groups of Eurobodalla and Far South Districts have agreed to amalgamate into one District comprising of seven (7) Scout Groups, namely 1st Bateman's Bay, 1st Moruya, 1st Narooma, 1st Cobargo, 1st Bega, 1st Merimbula and 1st Eden.

We are currently calling for **expressions of interest** for the role of **DISTRICT COMMISSIONER** to undertake the establishment of the new District and provide ongoing District management and support to Scout Groups through the District Council and District Layside Committee.

If you believe you are able to undertake such a role, please contact the undersigned at the email contact below in order to receive additional details regarding applying for this important and strategic role.

Expressions of Interest will close at Region Office on Tuesday, 28th January, 2014.

Phil Crutchley **Region Commissioner.**phil.crutchley@sctscouts.org.au

## Region Commissioner - Activities Report

### Today's challenge is tomorrow's achievement!

This may well be how we view the change in adventurous activity qualifications from internal Scout qualifications (due to expire at the end of this year) and the new SIS10 industry qualifications required from 2014 to take youth members on any adventurous activities. Many leaders have taken up the recent training opportunities and I would encourage those who haven't to take the plunge. Check out the State and Regional calendar for training opportunities coming soon and keep an eye on the Regional emails for other dates that become available.

The new adventurous activities policy and Standard Operating Procedures (SOP) should be up on the NSW Scout website shortly. The biggest change will be the documentation of risk assessments to determine the number of qualified and skilled personnel required to safely take novices on an activity. Many strategies will be the ones we have used for years they just need to be documented. This helps new leaders and parents understand why we take some precautions and need to limit numbers in some situations.

The other important change to obtain qualifications and maintain currency within Scouting is to keep a log book. Your log book can have pictures (worth a thousand words, depending on the picture) must be verifiable, have the date, location/s, who you went with, what you did, how long you did it. Log books (pages) are required for all adventurous activities and can include activities done outside of Scouting.

### In simple terms:

- To take youth members on a well defined public walking track The only qualification required is a Certificate of Adult Leadership (CAL)
- Level One Bushwalking is easily obtainable with basic knowledge of navigation allows you to take youth members on easily tracked terrain
- Level Two Bushwalking is required if taking youth members on more difficult terrain.
- Level Two Canoeing is required to take youth members out on any canoeing activities. Those who hold Level One Canoeing are not considered novices and so assist in boosting the numbers qualified leaders can take out on an activity.
- All rock related activities must be under the direct supervision of someone who holds a Level Three Abseil qualification.

Attending a course does not necessarily give you the qualification - yes, there is paperwork involved as well and because these are now industry recognised qualifications we must make sure leaders meet the same standards required by all Recognised Training Organisations (RTO). Remember you can achieve.

Keep the A1 forms coming to Region office it is satisfying to know so many leaders are taking their youth out on fun activities. For those going to the Cuboree have fun and those who have volunteered to help me run the canoeing for the National School of Adventure, my heartfelt thanks. Have a safe and fun Christmas break and return in the New Year with lots of enthusiasm and ready to be active.

Yours in Activities,

Jenny Pavey
Region Commissioner Activities

# Region Commissioner - International Report

Congratulations to Laura Kierse on the award of her International Explorer Award, earned on her visit to England last year. Lachlan McLean has gone to Bristol this year.

Applications are now open for Venturers who wish to participate in the International Student Exchange programme to travel November 2014. Countries to choose from are England, Denmark and Japan. Enquiries to host a Venturer from these countries are also required. You must have a Venturer age person in the household to be eligible to act as a buddy for the visitor at school.

Several Rovers attended the World Moot in Canada. I hope they enjoyed themselves, I haven't received any feedback.

J.O.T.A / J.O.T.I was participated in by several Groups over the weekend October 19-20. Unfortunately none appeared to have been registered with the National web site to receive their appropriate call sign.

The World Jamboree in Japan ,July 2015 is getting close for those of you who are planning to go and need to fund raise. Eligible Youth members should be born between 9 August 1997 and 27 July 2001.

Judith Gunns

## Jerra Cubs making Cub Cars With Their Dads.....

### NSW State Commissioner - Joey's Report

As Christmas fast approaches and 2013 draws to a close I would like to remind everyone about the HOP Challenge - The Mob Hop Challenge is for Terms 3 and 4 2013 only.

I would like to invite your Mobs to register to participate! They will be given 2 contacts for other Joey Scout Mobs in NSW and some easy tasks to encourage some Mob interaction, fun and support around the State.

The only cost is to purchase a badge for each participant at \$2 each, available from me.

I have attached the 2 documents about the Challenge.

You must register immediately by return email to me please.

You can register for all the Mobs in your District and let them know. We have many Joey Scout Mobs right around the State who are eagerly awaiting other Mobs to correspond with, and I would hate your Joey Scouts to miss out.

If you have any questions, please email me.

Thanks
Lyn Mann
NSW State Commissioner, Joey Scouts

lm.mann@bigpond.com

If you haven't registered but wish to do this challenge get in touch with Lyn asap.

Also calling on 7-7 1/2 year old Joeys who have completed all their challenge badges. Think about completing your Law and Promise Badge. This is the highest achievement you can get in Joeys and is worth the effort it takes to complete (before your 8th birthday). All projects can be handed to Leanne Senn, plus \$5 to cover the badge, and Leanne will pass on the appropriate paperwork to Kerrie at HQ. Kerrie sends off the paperwork and money to Lyn who then sends back the badge and certificate. PLEASE don't think that this is a short time frame as it can take several months to receive the L&P badge once it has been applied for.

This year we have seen a Pirate Joey Game day at Boonerah Point. A day of fun and games was had by all who attended and even a few Leaders told tales of adventure. December will see a Wizard of Oz Fun Day at Mt. Keira Scout Camp. Come along and enjoy the fun.

Wandarras will start again in 2013 and I would invite all leaders to come along and provide input for our yearly calendar. These are usually held at McDonalds over a cup of coffee and new faces are always welcome.

As the end of the year fast approaches, I would like to wish everyone a safe and happy Christmas and I hope Santa is good to you. Take care and see you in the New Year.

**Keep Hopping**
