

Prepare for Blast Off!

The *FIRST* LEGO League is an exciting international research and robotics competition for young people. The 2018 “Into Orbit” season will challenge teams to build robots with LEGO MINDSTORMS and explore, challenge, and innovate in the vast expanse of space.

South Coast & Tablelands Region are assembling *FIRST* LEGO League teams of youth (aged 9-16) and adults from all Sections of the Scout Movement. This is an exciting opportunity that will develop technology skills, as well as leadership and self-confidence.

Anyone interested in finding out more should attend the information session:
